## QUALITY POLICY 2021-2023

Rev: 00

The Management of Hysytech S.r.l. and Stirling Cryogenics B.V. believe it is important that the company becomes a reference point in the design and commissioning of new technologies, and turnkey process equipment, through the prevalent development of new technologies. Hysytech S.r.l. and Stirling Cryogenics B.V. intend to constantly improve the level of quality and performance achieved, the (consequent) satisfaction of the customer and the end user, in compliance with the provisions of the law and all other applicable regulations.

HYSYTECH S.r.l. and Stirling Cryogenics B.V. undertakes to manage their activities according to a policy aimed at:

- **Implement, maintain, update and constantly improve** a Quality Management System in line with the EN-ISO9001:2015 standard applicable to all the activities carried out;
- **Ensure** that the Customer's and binding requirements are identified, defined and monitored in order to maintain and, if possible, increase Customer satisfaction;
- **Produce** available and efficient tools for the continuous evaluation of the results of business management (economic and safety), to allow the execution of precise analyzes and subsequent management actions with a view to continuous improvement;
- **Apply** a methodology capable of identifying and keeping up to date the risks associated with company quality processes;
- **Prepare** and implement action plans aimed at reducing the identified risks;
- **Develop** the activities of Stirling Cryogenics B.V. also in collaboration and synergy with Hysytech S.r.l.;
- **Being partners** of the most important customers for whom to develop specific and highly customized solutions;
- **Innovate and develop** their products;
- **Improve** communication interfaces;
- **Participate** in European research and development projects;
- **Pursue the continuous improvement** of the Company by making available the resources (human, material and economic) necessary to ensure the achievement of corporate objectives, to maintain and / or improve the quality standards acquired;
- **Raise awareness** and inform all employees and collaborators of compliance with the rules applicable to company activities.

The initiatives and strategies to implement the principles of this policy are contained in the document OBJECTIVES PLAN. This Company Policy will be reviewed annually by the Management during the review of the Quality Management System.

Regarding this Company Policy, HYSYTECH S.r.l. requires complete compliance by company personnel in the context of their respective competences and responsibilities.
